

THE MARIA EXPERIENCE FOR THE NEXT GENERATION...

One gift at a time.

Our Development Office is dedicated to helping alumni and friends partner with Maria College to advance our mission of "Education for Service." Through your outright, restricted and planned gifts, you can add to Maria's operating budget and endowment, and every gift, regardless of size, has an immediate and meaningful impact, and makes a difference in every aspect of Maria College life, year after year. Whether to assist a high school student that wouldn't be able to attend college, or to work with a student who's a single parent taking a first step at improving a life, or to offer options to the student beginning a second career, every donation affects the vibrant, unique and distinctive community that is Maria College.

Your gifts help to:

- provide scholarships for students.
- enhance student life, advisement and career services programs.
- add books, periodicals and other research material to the library.
- upgrade campus technology.
- support faculty research and professional development.
- maintain the facilities and grounds.
