A continuing resource for community support and advocacy.

Issue 2, April 2017

The National Sexual Violence Resource Center (NSVRC) recognizes **April as Sexual Assault Awareness Month.**

NSVRC's 2017 campaign, entitled 'Engaging New Voices', focuses on bringing individuals of various backgrounds into the conversation about sexual assault prevention.

Why is raising awareness important?

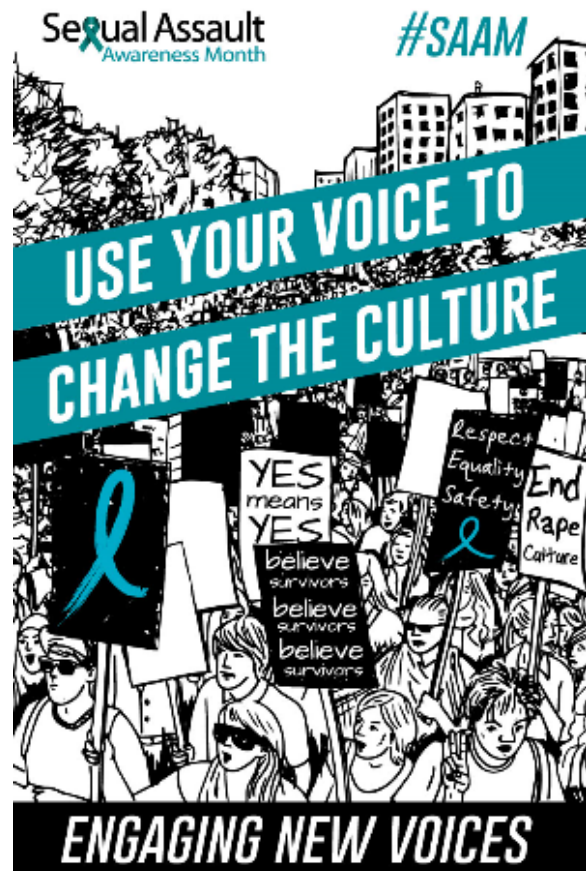

Data from the *National Intimate Partner and Sexual Violence Survey* concludes that:

- 19.3% of women and 1.7% of men have been raped during their lifetimes
- An estimated 43.9% of women and 23.4% of men experienced other forms of sexual violence during their lifetimes

Take a Stand:

Join hundreds of community members at the annual **'Take Back the Night'** march.

Thursday, April 27th, 4:30-8:00pm,
SUNY Albany's Downtown Campus
(Page Hall).
