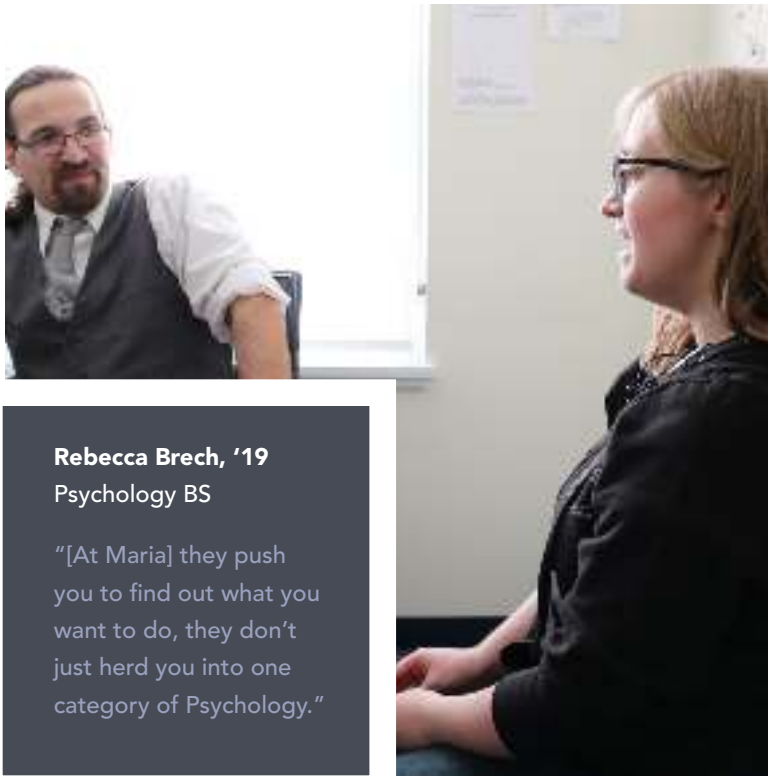
MARIA

COLLEGE

Quick facts

- A required course, *Exploratory Psychology*, promotes greater awareness of the specific fields within psychology and helps inform your choice of electives.
- A required internship, providing relevant work experience with professional practitioners, will give you a competitive edge when seeking employment.
- Two required research courses will prepare you for the rigors of graduate school should you decide to continue your education.
- A large number of free electives provides the opportunity to transfer credits from another major or to develop an area of specialization.



Rebecca Brech, '19
Psychology BS

"[At Maria] they push you to find out what you want to do, they don't just herd you into one category of Psychology."
