

REQUIRED HEALTH DOCUMENTATION

Students you are required to create an account with CastleBranch to upload your required health documents to include the following:

- Current RN license (for new associate degree graduates you must have your RN license within six months of graduation)
- Completed physical within the last year using the enclosed Maria College PHYSICAL EXAMINATION FORM. This form must be filled out completely by your primary care health provider. You should keep a copy of the completed form for your records. *Note this must be updated yearly while you are enrolled in the nursing program.
- Complete disease/vaccination record including Measles, Mumps, Rubella, Varicella, Hepatitis B, and Meningitis. This should be completed on the back of the form.
- Documentation of dTap immunization (Tetanus booster) within the last ten years
- Two PPDs (Tuberculosis screening) within this calendar year. Each PPD must be at least 2 weeks apart
- Current BLS card. The card must be from the American Red Cross: Basic Life Support (BLS) training for healthcare providers or the American Heart Association: CPR with Basic life support (BLS) for healthcare providers. Both provide two years of certification.
- Documentation of influenza vaccination due by **October First (1st) of each fall semester enrolled.**
