The Coronavirus Aid, Relief and Economic Security (CARES) Act includes the Higher Education Emergency Relief Fund (HEERF) that provides emergency funding to support students impacted by the campus disruption due to the coronavirus and who demonstrate a genuine need and is not meant to supplement loss of income. The Department of Education requires that students must be eligible to file a FAFSA to qualify for CARES Act Emergency Grant assistance.

Dear Students,

As a response to the Covid-19 pandemic, the federal government has made funding available to Maria College students as part of the Coronavirus Aid, Relief and Economic Security (CARES) Act. The purpose of the funds is to assist college students who have been impacted by campus disruption due to the Coronavirus virus. You are being sent this application to file for an emergency grant because you may meet some of the specific criteria.

Per the Department of Education, this funding is not meant to offset a loss of income, but to provide relief funds to assist with other COVID-related disruptions to your education. If you have a loss of income, please contact Student Financial Services @ 518-861-2586 or SFS@MariaCollege.edu

Please complete this short application as a first step to see if you qualify for this funding.
